- Click the link to copy it to your drive.
 - The Google Doc is formatted to Pageless. If your copy does not automatically do this, you will need to click File → Page Setup → Toggle to *Pageless* at the top.
- This week students will start to dive into some basic informational text standards- central idea and objective summary. I love the activity at the end of the week- a hands on JUMBO graphic organizer!
- Page 1 is the outline of the day-to-day lesson plan.
- Page 2 is your to-do list to prepare for the week.
 - Check off each task as you go!
- Each activity is hyperlinked to a resource found in [ELA Unlimited](#). All you have to do is click on the link, which will take you to the corresponding page on ELA Unlimited where you can download the resource!
 - You can also plug in resources that you already have! These are just suggestions.
