Preparation

- Click the link to copy it to your drive.
- The goal of this activity is for students to get to know each other in a fun and engaging way!
- `Students will need to be able to use a personal device for taking pictures, or they need to be able to access the camera on their Chromebook.
- Go through the challenges to make sure they are appropriate for your age group. You can edit as needed.

Point Pursuit

- Put students in groups of 3-4.
- Give students about 20-30 minutes to complete as many challenges as they can.
- Students will take pictures and videos, upload them to their drive, and then insert them into the slides.
- Each group will submit their slides at the end of the 30 minutes.
- You can quickly add up the points while they are working on an independent assignment.
- Award the team with the winning a small prize, candy, or you can even make paper crowns for the winners!
