### Preparation:

- Copy and save the project and instructions to your google drive
- Review the prompts, expectations, and FAQs. Leave as is, or make any changes you need to fit the needs of your classroom.
- Review the date in the Letter to Future Self. I included the date of my student's high school graduation. You might need to change it depending on your grade level.
- Share to Google Classroom. Remember to select 'Make a Copy for Each Student' when assigning!

### Activity

- Since they were completing this at home, I gave my students a week to complete it. Encourage quality work since this going to be a piece of history!
- When they are finished, ask who wants to share.
- Copy the links of those presentations who want to share and put in one document. Share on Google Classroom so everyone can click on them and view the presentations.
